My signature below provides verification that I will keep all animals under my care in a safe, clean, healthy environment, with fresh water and sufficient food, and understand the commercial kennel business license will be revoked if these conditions are not maintained or lapse. I hereby give permission for inspection of the premises for sanitation and safety, adequate food and water, and current veterinary records at any reasonable time. I certify that all animals will have current licenses in accordance with Lakewood Municipal Code. I also certify that the information provided on this application is correct.

Signature of Applicant_____ Date_____

** At the time of license renewal, the person, company, firm or organization must show satisfactory proof that the person, company, firm or organization has a valid general business license issued by the City. It is provided, however, if an organization that is required to obtain a license is exempt from taxation under 26 USC 501c (3,4), such organization is not required to obtain a general business license. Such organization must be able to show satisfactory proof of such status to the City at the time of applying for renewal.

Any facility keeping more than ten dogs and/or cats must provide kennel facilities. Kennel facilities are kennels, animal runs, enclosures and/or any other building used for the keeping or housing of such dogs/cats.
