Help LIGHT up Lakewood! Businesses, clubs, organizations, and individuals are all invited to light up the holiday with a stationary float or vehicle. **The entries must comply with the Covid-19 phase for Pierce County that is in effect at this time.** Show your community spirit! **Blue** lights are recommended, however lights are optional.

- Each entry is encouraged to ‘go all out’ in decorating their vehicle/float and wearing festive clothing, making it fun and exciting for participants and spectators alike. Prizes will be awarded (see contest details below).
- The Lakewood “reverse” parade is a stationary display of floats and vehicles. In this reverse scenario, it is the viewers who will drive by while the floats and displays remain in one place.
- Businesses, clubs, and organizations can have signage on their vehicle, but lighting and decorations should reflect the Holiday Season.
