

NOTIFICATION OF LEAD-BASED PAINT

Address/location of property or structure(s) this notice applies to:

(Street address)

Lakewood, WA _____

I/we have been advised that housing constructed prior to 1978 may contain lead-based paint, and may be particularly hazardous to children under six (6) years of age, especially on all interior surfaces, whether accessible or not. Exterior surfaces such as stairs, decks, porches, railings, windows and doors may also be a potential hazard. Potential hazard is defined as paint which may contain lead on applicable surfaces which are in sound, tight condition, but which may become an immediate hazard by reason of cracking, chipping, scaling, peeling or loosening. Provisions for the elimination of lead-based paint hazards are contained in the U.S. Environmental Protection Agency, U. S. Consumer Product Safety Commission and U. S. Department of Housing and Urban Development pamphlet entitled ***"Protect Your Family From Lead in Your Home."***

I/we have received a copy of the pamphlet entitled, ***"Protect Your Family From Lead in Your Home."***

I/We have received a copy of the pamphlet entitled, ***"The Lead-Safe Certified Guide to Renovate Right"***.
