SUBJECT: Sound Transit Access Improvement Project in Lakewood

ATTACHMENT: February 3 and March 2 Technical Advisory Group Presentations

#### **BACKGROUND**

Sound Transit has begun outreach to the City of Lakewood regarding its pending access improvements to the Sounder Station.

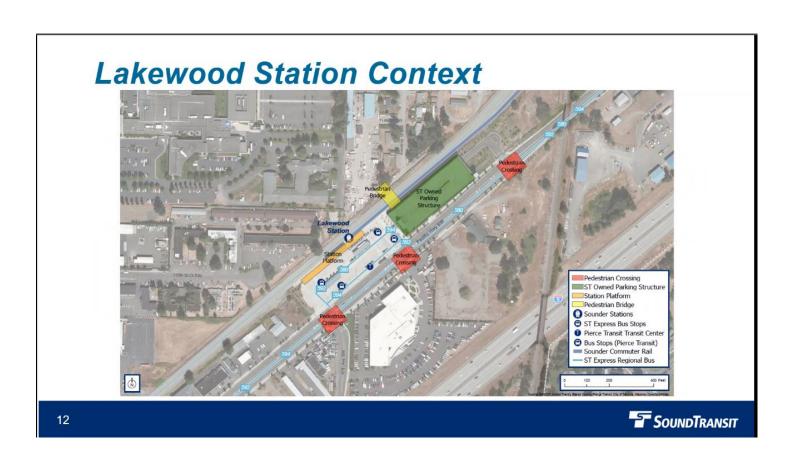

### **DISCUSSION**

Sound Transit's Lakewood Station Access Improvement Project is a \$44 million investment (2019\$) opportunity that is part of the Sound Transit 2 funding package. Sound Transit's possible investments near the Sounder Station, generally within the boundaries of the Lakewood Station District Subarea (LSDS), would greatly enhance the implementation of the LSDS plan once adopted by the City Council.

Possible uses of the funds could be non-motorized improvements, to include pedestrian and bicycle improvements with connections to Lakewood Landing as well as connections to the Springbrook neighborhood, possibly Springbrook Park, and points north and west to Bridgeport and 112<sup>th</sup>. Other investment strategy options include bus service enhancements, expanded drop-offs at the station and parking improvements, though not structured parking.

Sound Transit's timeline is to develop a report outlining investment strategies by the end of 2021. However, the Sound Transit Board is currently undertaking a budget and project realignment review of all capital projects given the agency's projected financial shortfalls; this project could therefore be delayed or altered. The Sound Transit Board is expected to make a decision on project realignment later this summer and fall.

Attached hereto are presentations provided at the February and March 2021 technical advisory group (TAG) meetings. Lakewood's Community and Economic Development and Public Works Engineering Departments are both participating on the TAG.

### Access Improvement Categories

A variety of access improvement options will be considered for the station, and may include improvements to the following:

- Bicyclist access
- · Pedestrian access
- Pick up/drop off areas
- Facilities to support connection to other transit
- · Parking improvements
- Improvements to the station area
- Transit/bus service coordination

### **Next Steps**

#### REPORTS BY THE CITY MANAGER

City Manager Caulfield shared that Congress is considering a COVID-19 Economic Stimulus package which includes funding for state and local governments. He noted that the City of Lakewood is expected to receive approximately \$14 Million in funding and it is expected that final action will take place before March 14, 2021.

He shared that he and Mayor Anderson met with Congresswoman Strickland last week to discuss the City's federal legislative priorities.

He reported that even though the Lakewood Senior Activity Center is closed they are still offering a variety of virtual social activities for older adults including a Zoom Happy Hour that features special themes and guests.

He then reported that the City has extended an invite to State Legislators from the 28<sup>th</sup> and 29<sup>th</sup> Legislative Districts to attend the virtual City Council meeting of March 15, 2021.

He reported that the Pierce County Jail has a COVID-19 outbreak, currently reporting 41 positive cases, and the City will not be transferring inmates from Pierce County Jail to Municipal Court at this time.

He shared that the Census Bureau will be providing an update on population counts by April 30<sup>th</sup>.

He then recognized the Maintenance and Operations Team for their work responding to the winter weather that impacted the City last weekend.

### **CITY COUNCIL COMMENTS**

Councilmember Farmer shared that this week she will be testifying on SB5163 concerning the placement and treatment of released sexually violent predators and attending the Pierce County Regional Council (PCRC) General Assembly meeting. She shared that the 29<sup>th</sup> Legislative District Town Hall is scheduled for February 18<sup>th</sup> and 28<sup>th</sup> Legislative District Town Hall is scheduled for February 20<sup>th</sup>. She also encouraged citywide communication and outreach regarding the availability of CDBG-CV 1 and 3 funding.

Deputy Mayor Whalen extended his appreciation to the Maintenance and Operations Team for their work responding to the winter weather last week. He suggested adding a review of the federal COVID-19 emergency aid funding to the City Council Retreat agenda. He also spoke about an article in The News Tribune focused on Lakewood Landing and a Lakewold Gardens Board Retreat presentation focused on an idea for a winter solstice light and sound event.

Mayor Anderson echoed comments recognizing the Maintenance and Operations Team who responded to the winter weather last week. He commented on a meeting he attended with Congresswoman Strickland, shared that the City Manager presented the State of the City at Coffee with the Mayor last week and he participated in the Asia Pacific Cultural Center Lunar New Year celebration.

### **ROLL CALL**

<u>Councilmembers Present</u>: 6 – Mayor Don Anderson, Deputy Mayor Jason Whalen; Councilmembers Mary Moss, Mike Brandstetter, Paul Bocchi and Linda Farmer.

### ITEMS FOR DISCUSSION:

### Pierce Transit Update.

Ms. Alexandra Mathers, Government Relations Administrator provided an update on Pierce Transit. She reported that to ensure the fiscal health of the agency several services were reduced due to the COVID-19 pandemic. She shared that in April, 2020 ridership dropped 70% and gradually increased. She noted that 30% of the ridership were essential workers.

Ms. Mathers then shared that Pierce Transit has funded a system expansion study to be conducted in 2021 and she highlighted current services that are offered in Lakewood, which includes the vanpool, shuttle, and Orca passes.

Ms. Lindsey Sehmel, Principal Planner reported that Pierce Transit is working on a Bus Stop Balancing Project to increase customer safety, speed reliability and efficiency throughout the system. Public outreach on the project will begin this month followed by a presentation to the Pierce Transit Board in March. She noted that any stops that are identified for removal through the project would be removed in September. Ms. Sehmel then highlighted ridership activity in 2020 noting there are 8 routes and 299 stops within Lakewood city limits. Discussion ensued related to electrification.

### **Transportation Benefit District Update.**

Assistant City Manager for Administrative Service Kraus shared that at the September 2019 Retreat the City Council reviewed four potential financing options for the Transportation Benefit District (TBD). The options included leveraging the \$20 vehicle-licensing fee, a property tax levy lid lift, a property tax excess levy and B & O tax. She shared that in 2020, \$835,000 was allocated from the TBD for the Chip Seal Program, Pavement Patching as well as Real Estate Excise Tax (REET) funding for the JBLM North Access Phase I project.

She shared that current options include rescinding the \$20 vehicle license fee, use the monies collected by the \$20 vehicle-licensing fee to continue investing via payas-you-go; use the \$20 vehicle license fee to leverage the issuance of bonds, or to increase the \$20 vehicle license fee to \$40. She shared that it is recommended that the City Council use the \$20 vehicle license fee to issue \$11.3 million in bonds to be repaid over a period of 20 years beginning in 2023.

Public Works Engineering Director Bucich then shared a map highlighting proposed projects. Discussion ensued and the City Council requested additional review and discussion on which projects should be prioritized for funding at a future meeting.

# LAKEWOOD PARKS & RECREATION ADVISORY BOARD REGULAR MEETING MINUTES Tuesday January 26, 2021–5:30 PM Zoom Meeting

### **CALL TO ORDER**

Jason Gerwen called the meeting to order at 5:31 p.m.

### **ATTENDANCE**

**PRAB Members Present**: Jason Gerwen-Chair, Vito Iacobazzi-Vice-Chair, Sylvia Allen, Alan Billingsley, Susan Dellinger, Michael Lacadie

Youth Council: Arianie Esperon-present, Micah Kim-absent, Carly Sherman-absent

Staff Present: Mary Dodsworth - Director, Nikki York - Office Assistant

Council Liaison: Linda Farmer

**APPROVAL OF MINUTES**: Vito lacobazzi moved and Michael Lacadie seconded the motion to approve the minutes of the November 24, 2020 meeting as written. MPU.

Public Comment: No public comments were received.

### **NEW BUSINESS:**

**Elections:** Mary Dodsworth asked if anyone was interested in being nominated to serve as Chair or Vice-Chair. Jason Gerwen and Vito Iacobazzi were both willing to continue. Vito offered the opportunity if someone else wanted to serve. Susan Dellinger motioned for Jason Gerwen to continue as Chair and Vito Iacobazzi as vice chair. Sylvia Allen seconded. MPU

**2021 Work Plan:** Council reviewed and approved the work plan adding the role of the advisory board to the plan. The joint council meeting may be moved to June. Mary will confirm.

25<sup>th</sup> Anniversary and Special Event Updates: Mary Dodsworth provided an update on the 25<sup>th</sup> anniversary planning work being done by a stakeholder's team and will provide a briefing for Council. A PowerPoint showed past history to present day and a variety of activities and events that could be planned. Jason Gerwen thought the theme of Unity in CommUNITY was fantastic. Mary asked the board for feedback on the logo and tag line. Jason Gerwen thought all the taglines were applicable and shared thoughts regarding the 20<sup>th</sup> anniversary logo. All the local elements made it special. Vito lacobazzi & Susan Dellinger liked Building Community tagline. Michael suggested adding celebrating at the top. Linda advised that the logo is only a portion of the graphic design and that you can easily incorporate celebrating or other items above the logo in print or web design. If you add everything to the logo it makes it difficult to comprehend for the eye. Sylvia liked elements of the 3<sup>rd</sup> logo but preferred the first or second taglines. Vito liked that the banner on the 3<sup>rd</sup> design noting the dates 1996-2021. Board members were invited to participate in the stakeholders group.

Mary reviewed the special events and activities for the year including the Farmers Market, Colonial Plaza Market, Drive-In Movies, Summer Concerts, SummerFEST, Truck and Tractor Day, Holiday Tree Lighting and the Parade. Adjustments will be made based on phases and current guidelines.

**Directors Report:** Mary Dodsworth reviewed the Directors Report including, Capital Project updates: Springbrook Park expansion, Clover Creek restoration, Gateways at Berkley and Woodbrook, Harry Todd Park, Chambers Creek Canyon trail, Edgewater Park, Angle Lane South, Pavilion restrooms, Wards Lake property expansion, Seeley Lake, FSP all abilities playground, COVID, Reverse Parade, MLK Video, 25<sup>th</sup> anniversary and Service Club sign, Senior Center update, Springbrook engagement, Public art and Community outreach.

### **Board Comments:**

Michael: Received compliments about the great work that is being done at fort Steilacoom Park and a neighbor to the Chambers Creek Canyon complimented Mary and the City for their quick response to a homeless encampment issue.

Jason noted that Staff efforts are always above and beyond and make the community look great. We are fortunate to have a supportive Council. COVID doesn't stop you guys. Thank you to parks, recreation and community development staff.

Sylvia: Received her COVID vaccine today.

Vito: FSP all abilities playground looks great.

### REPORTS BY HISTORIC PRESERVATION OFFICER OR STAFF

### Update on Pierce County Historical Preservation Grant Application Process

Mr. Ramon Rodriguez, Associate Planner, presented the submittal of the Pierce County Historical Preservation Grant Application. The grant application was submitted January 8, 2021. The application was for a non-building application. Non-building applications would be reviewed and rated by the Pierce County Commission on February 15, 2021. The requested grant amount submitted by the City was \$7,220.00, due to the need for outsourcing the installation of the historic street signs and the need to pay prevailing wages.

### **UNFINISHED BUSINESS**

### Developing Frequently Asked Questions (FAQs for Website)

Mr. Glenn Spieth recommended having a benefits and downsides ledger similar to a pros and cons ledger in regards to the different types of historic property designations. Ms. Beth Campbell recommended addressing the common question of "does a designation have to be a building" and the answer is no.

### **NEW BUSINESS**

### 2021 Vote for Chair and Vice-Chair

LHAB members voted unanimously to keep Mr. Glen Spieth as the Chair and Ms. Beth Campbell as Vice-Chair for the year 2021.

<u>Update Lakewood Touring Map to Include Historic Streets Identified Through the Recognition Program</u>

Mr. Glenn Spieth recommended amending the touring map every other year. Mr. Ramon Rodriguez proposed providing the most recent touring map to the group.

### **MEETING MINUTES**

January 7<sup>th</sup> meeting minutes unanimously approved.

### **NEW BUSINESS**

Ron Banner moved that Ellie Wilson and Joyce Loveday remain as Chair and Vice Chair for 2021. Andie Gernon seconded. Unanimously approved.

Leanna Christian and Brian Humphreys discussed the communications capacity building for Lakewood's Promise. The Youth Council representatives will assist with helping a Pierce College digital communications intern to build a new Lakewood's Promise website to host actionable material related to family workforce development and youth mental health.

### **BOARD MEMBER UPDATES**

Ron Banner joined the Youth Council meeting on February 1st. They listened to members and were able to share about COVID safety measures. Hybrid learning has started for younger learners and more grades will start. The school district is moving into COVID Recovery and helping ensure students catch up academically to where they should be. Classrooms are focused on social emotional learning. The school board met with the Lakewood City Council and talked about equity, mental health, and recovery in general.

Michele shared Pierce College was selected as one of 10 colleges from around the country to participate in the Racial Equity Leadership Academy.

The board discussed a letter of support for the school board celebrating its work for racial equity. Members will draft a letter for the broader advisory board to consider.

Joyce gave an update about Clover Park. There have been some students on campus, but the college just started to allow some students into the administrative building for services. The professional pilot program received a grant from the state to purchase virtual equipment to provide more flight hours.

Elise shared that the Pierce County Library System is adopting the Protocols for Culturally Responsive Organizations to maximize its cultural responsiveness.

### **ADJOURN**

Ellie Wilson adjourned the meeting at 8:57 am.

### RESOLUTION NO. 2021-04

A RESOLUTION of the City Council of the City of Lakewood, Washington and the Board of Directors of the Clover Park School District expressing a commitment to valuing diversity, equity and inclusion.

WHEREAS, the people of the City of Lakewood and the Clover Park School District value and acknowledge that diversity, equity, and inclusion are essential to our community; and

WHEREAS, the Lakewood City Council and Clover Park School District Board of Directors recognize the critical role that city and school leaders have in affirming differences, removing barriers to access and opportunity, and facilitating a culture of inclusion; and

WHEREAS, the Lakewood City Council and Clover Park School District Board of Directors recognize systemic inequality and racism has been a barrier to assuring the basic principles of diversity, equity, inclusion for historically marginalized people groups; and

WHEREAS, the Lakewood City Council and Clover Park School District Board of Directors value the multifaceted way embracing diversity enables the community to be a welcoming and inclusive place to live, work and enjoy life; and

**WHEREAS**, the Lakewood City Council and Clover Park School District Board of Directors believes that the road to systemic equity and inclusive practices is a journey that can consistently be achieved through meaningful collaboration; and

WHEREAS, the Lakewood City Council and Clover Park School District Board of Directors celebrates our community's diversity and is committed to fostering a community that welcomes all people who live, work, and go to school here, regardless of their national origin, race, sexual orientation, gender identity, financial or socioeconomic status; and

WHEREAS, the Lakewood City Council and Clover Park School District Board of Directors met in January 2021, and have agreed to continue partnering in furthering these efforts and is committed to collaborate, develop and lead diversity, equity, and inclusion initiatives and share resources for the benefit of our respective organizations and our community; and

**WHEREAS**, the Lakewood City Council and Clover Park School District Board of Directors believes that by working together, sharing our perspectives and implementing targeted practices to improve the well-being of historically marginalized members in our community we can take steps closer to more justice and more fairness in the community of Lakewood.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LAKEWOOD, WASHINGTON AND THE BOARD OF DIRECTORS OF CLOVER PARK SCHOOL DISTRICT, DO HEREBY RESOLVE, as follows:

Section 1. Proclaim that we reaffirm our community's shared values of diversity, equity, inclusion, compassion, respect, and dignity; and our commitment to building a community in which everyone and especially people of historically marginalized identities have the opportunity to thrive; and we encourage all citizens to likewise affirm these values.

Section 2. This Resolution shall be in full force and effect upon passage and signatures hereon.

PASSED by the City Council and Board of Directors this 15<sup>th</sup> day of March, 2021.

**SUBMITTED BY:** Paul A. Bucich, P.E., Public Works Engineering Director/City Engineer.

**RECOMMENDATION:** It is recommended that the City Council authorize award of a construction contract to R.L. Alia Company in the amount of \$7,558,504.76 plus a five percent contingency (\$377,925.24) for the construction of the JBLM-North Access Improvement – Phase 1 project, City Project 302.0077.

<u>DISCUSSION:</u> Through this project, the City will reconstruct the roadway along Gravelly Lake Drive between Pacific Highway and Washington Boulevard and Washington Boulevard between Interlaaken Drive and Gravelly Lake Drive. Improvements include reconstructed pavement, storm drainage, water main, street lighting, curb, sidewalk and landscaping. All water main work will be covered by the agreement with the Lakewood Water District in place. It is anticipated that construction will begin in April, 2021 with completion in November, 2022. Flyers have gone out to all addresses within a minimum of a half mile radius of the project. Portable message signs will be placed two weeks prior to the detour going into place to alert travelers of the impacts. Detour plans are also included below for information on how traffic will be managed during the project.

<u>ALTERNATIVE(S)</u>: The City received 14 bids; attached are the Bid Tabulations for the project. It is not anticipated that rebidding the project would result in lower bids.

<u>FISCAL IMPACT</u>: Project 302.0077, JBLM-North Access Improvement – Phase 1 project, has sufficient funding to complete the work within available budget. A more detailed analysis of funding sources and expenditures is listed below. There will not be any unanticipated fiscal impacts to the City from this project.

# REQUEST FOR COUNCIL ACTION

DATE ACTION IS REQUESTED:	<b>TITLE:</b> Motion recommending the City Manager pursue 2021 CDBG Grant funding in	TYPE OF ACTION:			
March 15, 2021	support of a sidewalk improvement project.	_	ORDINANCE		
13, 2021	ATTACHMENTS: Vicinity Maps (3)	_	RESOLUTION		
REVIEW:	1 \ /	<u>X</u>	MOTION #2021-19		
March 15, 2021			OTHER		

**SUBMITTED BY:** Paul A. Bucich, P.E., Public Works Engineering Director/City Engineer.

**RECOMMENDATION:** It is recommended that the City Council take action to include a sidewalk project in the Draft FY 2021 CDBG Annual Action Plan. It is further recommended that the City Council select Option 1, Phillips Road Sidewalk project since it completes the connection of an existing system.

<u>DISCUSSION:</u> On February 22, 2021, City Council directed Public Works Engineering (PWE) Department to cancel the 2019 CDBG Street Light project for Oakbrook and return with options for use of CDBG Grant funds in 2021. After reviewing potential options for sidewalks and street lights, three potential locations for sidewalk construction using the cancelled CDBG grant and 2021 CDBG Grant funds have been identified. Opportunities to use the grant funding for street lights was also evaluated but most of the 2021 work is outside of grant eligible census tracts and that which is within eligible tracts is relatively minor work, e.g. installing lights on existing poles and supplementing existing street lighting. Therefore use of the CDBG grant funds for street lighting is not recommended for 2021. (Continued on page 2)

#### **ALTERNATIVE(S):**

Three potential locations were evaluated for CDBG Grant funding:

- Phillips Road, Agate Drive SW to Onyx Drive SW (\$452,000) (Recommended)
- 47<sup>th</sup> St SW, Clover Creek to 123<sup>rd</sup> Street SW (\$400,000)
- Davisson Road SW, 108<sup>th</sup> Street SW to 111<sup>th</sup> Street SW (\$400,000)

Discussion of each option follows on page 2.

**<u>FISCAL IMPACT</u>**: The current Transportation CIP budget for 2021-2022 does not have a programmed project for sidewalk improvements for any of the identified locations. The fiscal impacts and costs of the three identified projects are outlined on page 3.

### **DISCUSSION** (continued from page 1):

On March 17, 2021, the Community Services Advisory Board (CSAB) will review and provide a recommendation on the recommended projects for funding as a part of the FY 2021 CDBG Annual Action Plan. On March 22, 2021, City Council will review the FY 2021 CDBG Annual Action Plan and confirm or modify the proposed recommendations of the proposed Annual Action Plan.

### **ALTERNATIVE(S)** (continued from page 1):

### 1. Phillips Road, Agate Drive SW to Onyx Drive SW:

The first opportunity reviewed for sidewalks is immediately adjacent to the neighborhood in Oakbrook where the street light contract was terminated (see attached graphic). Phillips Road has been identified as within a census tract eligible for CDBG grant funded sidewalks but only on the west side. PWE Department has evaluated sidewalk between Agate Drive SW and Onyx Drive SW. Construction of this project would complete the sidewalk connections between the recently reconstructed Onyx Street SW project and Steilacoom Boulevard. This project completes a system of sidewalks and connects Oakbrook residents to the Game Farm Park, Lochburn Middle School, businesses along Steilacoom Boulevard and eventually to Towne Center and major transit hubs. This project is recommended.

# 2. $47^{th}$ St SW, Clover Creek to $123^{rd}$ Street SW:

The second viable sidewalk project is on 47<sup>th</sup> St SW between Clover Creek and the newly constructed 123<sup>rd</sup> St SW along the westerly side of the roadway (see attached graphic). 47<sup>th</sup> St SW is in extremely poor condition so half roadway rebuild would be required and there is no existing illumination. This is an area with a variety of factors that were considered such as proximity to the creek; being within the floodplain;, significant future development construction to include half roadway and frontage improvements on both sides of 47<sup>th</sup> St across from and northerly of the proposed location; timing of improvements, potential flood reduction actions on/adjacent to the project site, and potential Sound Transit \$44M investment as a part of their Lakewood Station Access Improvement Project. Significant efforts are underway which may negate the need to fund this project by the City. This project is not recommended for funding at this time.

# 3. Davisson Road SW, 108th to 111th Street SW:

A third potential location would be on Davisson Road SW from 108<sup>th</sup> to 111<sup>th</sup> Streets SW(see attached graphic). Similar to 47<sup>th</sup> St SW, a half roadway rebuild would be required along with illumination to complement the existing street lighting. Due to a mix of wooden poles with lights as well as metal street lights, a decision will need to be made on which form of lighting to use. This project would connect to existing sidewalk on 108<sup>th</sup> Street SW but would not at 111<sup>th</sup> Street SW as no sidewalk exists. This project does not provide the completion of a sidewalk system at this time. This project is not recommended for funding at this time.

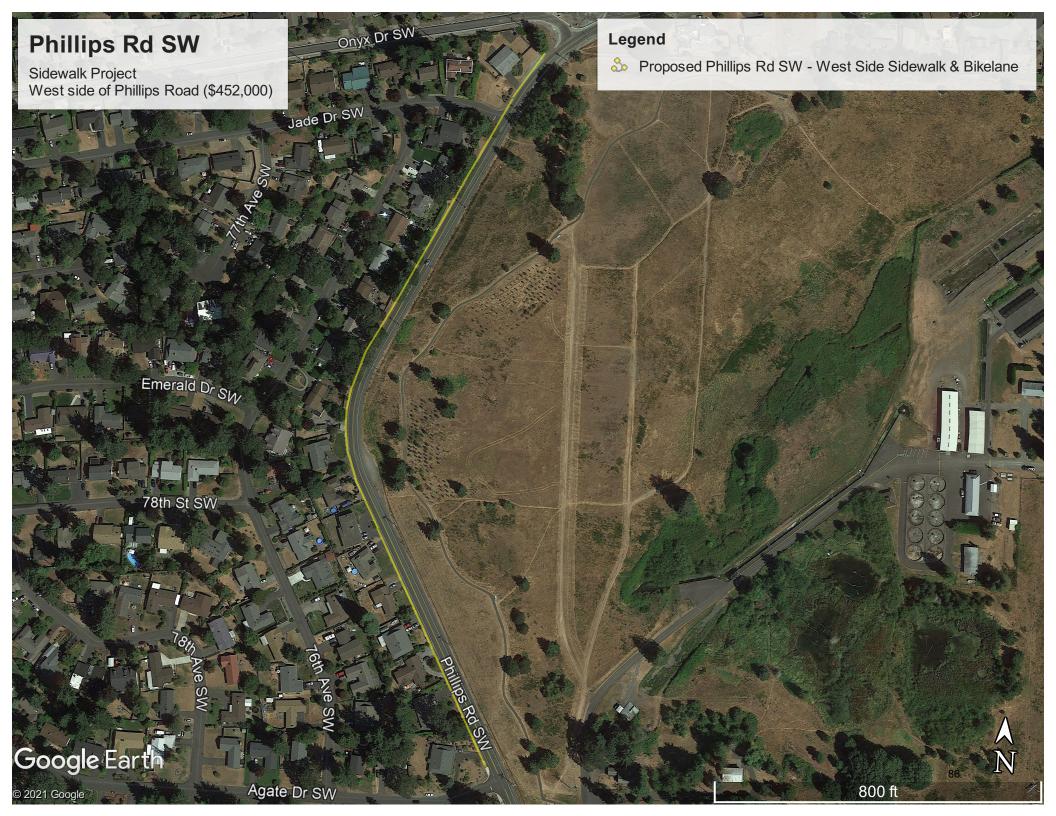

# **FISCAL IMPACTS (continued from page 1):**

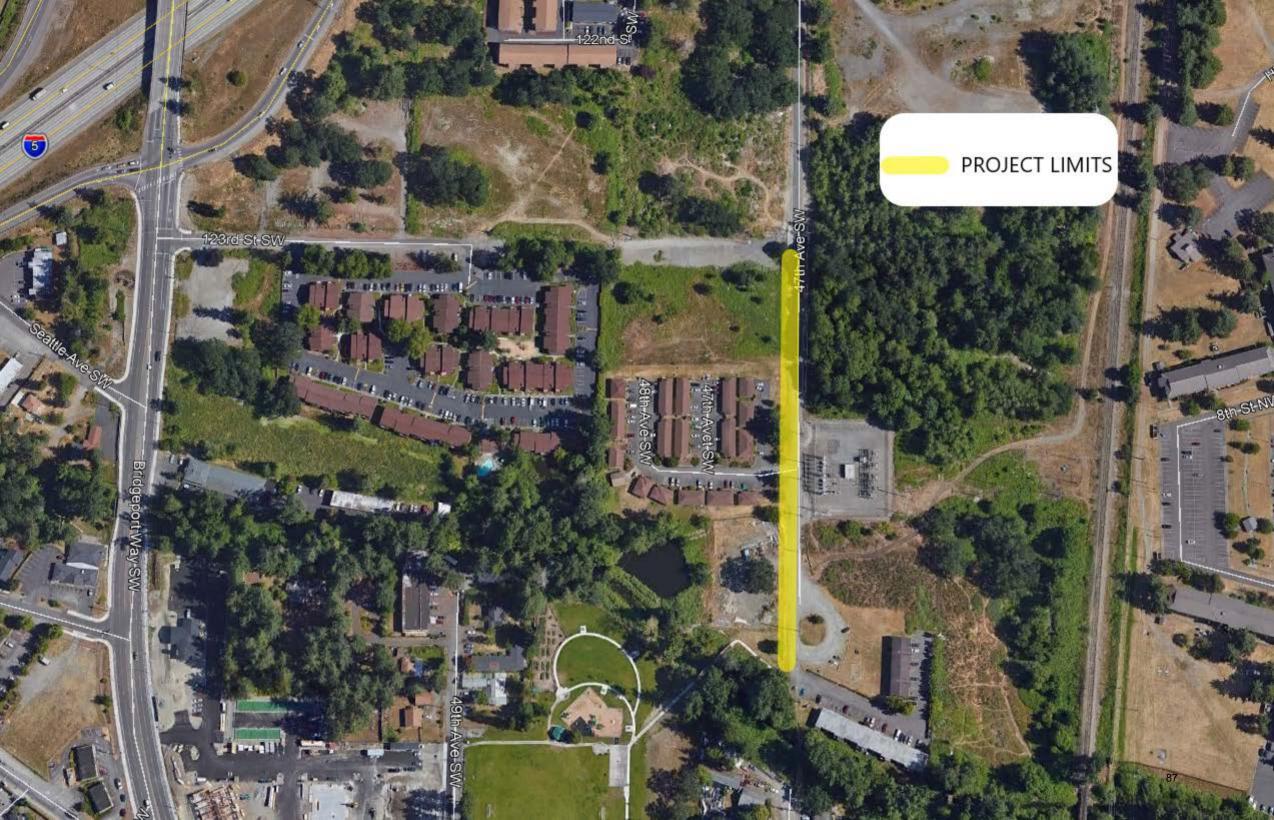

Should City Council authorize the City Manager to pursue CDBG Grant funding for one of the above projects, a budget adjustment would be brought forward at a later date in support of the project should the grant be awarded.

Subject: 2021 Community Project Funding Requests

#### Overview

The City Council is being requested to select one (1) City of Lakewood Community Project Funding (CFP) Request, colloquially known as an Earmark, for the Fiscal Year 2022 Federal Appropriations Bill to be submitted to Congresswoman Strickland.

Due to the quick turnaround at the federal level, a decision has to occur as part of City Council's March 15, 2021 regular meeting in order to meet the deadline for submittal. Originally the deadline was March 15, 2021 however a special request for a small delay was granted by Congresswoman Strickland's office to allow the City of Lakewood until March 17, 2021. This fast moving issue was only presented to Lakewood on Tuesday, March 9, 2021.

#### **Background**

The House of Representatives (House) has announced a new funding opportunity called Community Project Funding requests (formerly known as earmarks) for its FY 22 Appropriations bills. The Senate is expected to announce a similar program.

The House has also announced that Community Project Funding (CFP) requests will be considered when the House works on its Transportation Reauthorization bill expected to be considered later this year.

This provides the opportunity for the City of Lakewood to pursue two specific projects for federal funding support through Community Project Funding requests – one through Appropriations (now) and one through the Transportation Authorization bill (at a later date in 2021).

### **Eligibility Criteria**

Only the following entities may apply for funding under the Community-Focused Grant Program:

- State, local and tribal governments
- Publicly owned entities (e.g. ports, universities, PUDs, etc.)
- Certain non-profit entities with a quasi-government purpose (e.g. Special Districts)

Each Member of Congress may only submit 10 requests for Community Project Funding (CPF). Congresswoman Strickland has invited the City of Lakewood to submit one project for CPF Appropriations consideration at this time.

It is expected that the most competitive projects will have strong community support, capture the geographic and demographic makeup of the district, and achieve at least one of following goals:

- Create sustained job growth and/or economic opportunity
- Address imminent threats to public health, safety or the environment
- Promote equity and inclusion for underserved populations
- Respond to unmet community needs
- Fulfill unmet federal obligations, including treaty and trust responsibilities to Native American tribes

The deadline for submitting the Community Project Funding Requests is March 15, 2021, though it has been extended to March 17, 2021 for the City of Lakewood to allow time for the City Council to review and make a decision on which project to submit.

#### Discussion

The City of Lakewood identified 11 high priority infrastructure projects in its Transportation Benefit District Update Plan. These projects were presented to City Council on February 22, 2021 and can be found <a href="https://example.com/here">here</a>. Based on the probably size of the Community Project Funding Request limitations of \$3M to 4M, the top projects from the TBD Bond funding were evaluated first against the Community Project Funding Program goals along with a realistic evaluation of likely grant funding in other venues.

The City's top project for grant funding pursuit is the completion of the JBLM North Access Improvement Project, Phase 2. This project is ideally suited for reapplication to the new and improved DCIP Federal Grant funding program. The likelihood of successfully obtaining grant funding is high based on recent changes to the program and as such this project is not recommended for pursuit through this new opportunity.

The second top project is the Nyanza project. This project will be more difficult to successfully pursue grant funding through established funding sources based on the nature of the project and the estimated cost of the project. Completion of this project, however will close the loop around Gravelly Lake Drive, provide a secondary route to Towne Center and will improve non-motorized use of the soon to be completed shared use path from Nyanza along Gravelly Lake Drive on the west side of the lake.

The third top project is 112<sup>th</sup> Street SW between Gravelly Lake Drive SW and Bridgeport Drive SW. This project will connect these two major arterials, would install much needed non-motorized features, and would rebuild portions of 112<sup>th</sup> Street SW in poor condition. This project has been the subject of much discussion with Sound Transit as a part of their investment in the non-motorized improvements in Lakewood to provide greater access to the Lakewood Station. It is likely Sound Transit will look favorably on significant funding for this project.

The fourth top project considered is the reconstruction of 100<sup>th</sup> Street SW between Lakeview Drive and South Tacoma Way. This is an important project for the City and will finish off 100<sup>th</sup> Street SW with needed non-motorized improvements, roadway reconstruction and a new signal at 40<sup>th</sup> Street. This project is likely to win grant funding under established grants with an increase in match.

The fifth and sixth top projects presented to Council on February 22, 2021, are the two remaining projects on Steilacoom Boulevard needed to complete the corridor from Farwest Drive and Custer Road SW. Recently the City was notified of a recommendation to the PSRC by the Pierce County Transportation Coordinating Committee (TCC) to fund the application for improvements between Weller and 83<sup>rd</sup> to the amount of \$1.485M. There is a strong indication that as additional funding becomes available the remaining \$775k for that project will be allocated to Lakewood. With this, the remaining needs in the corridor are only \$1M for the sidewalk improvements from 87<sup>th</sup> to Farwest Drive.

The second tier of projects presented to Council on February 22, 2021, included the Custer, Bridgeport Way SW to 75<sup>th</sup> St W project. This too is a strong contender for consideration as it would complete the non-motorized path between the Bridgeport Way SW and Lakewood Drive SW past to the east of 75<sup>th</sup> St. W. The remainder of the projects in the second tier were not considered strong contenders for making it into one of the 10 requested Community Project Funding requests by Congresswoman Strickland.

After reviewing these projects and evaluating them against the opportunity for federal funding, the following recommendations are presented for Council discussion and approval.

#### Recommendation

- Submit a Community Project Funding request of \$4,000,000 for the Nyanza project in the FY 22 Appropriations bills. Identify City funding to make up the additional \$530,000 needed.
- At the appropriate time later this year, submit a Community Project Funding Request of \$4,230,000 for Lakewood Drive (100<sup>th</sup> Street SW, Lakewood Ave. SW to South Tacoma Way) in the Transportation Authorization bill.
