

# Transportation Funding Request Multimodal Transportation Study

**Request:** The City requests the Legislature allocate \$250,000 for a multimodal transportation assessment to consider practical solutions to increase multimodal connectivity along the I-5 corridor between DuPont and Lakewood.

The City aims to provide more equitable transportation access to historically underserved communities and national security personnel, as well as to increase the overall interconnectivity of the south Puget Sound to robust multi-modal transportation networks.

The study will include options that take advantage of already funded grade separated crossings and increase connectivity between Sound Transit and Amtrak using existing or planned infrastructure. This will support the movement of people through the growing South Sound corridor - including Lakewood, DuPont, Joint Base Lewis McChord, and areas of unincorporated Pierce County, including Parkland and Spanaway. This request is supported by Sound Transit, JBLM, Pierce Transit, Lakewood Water District, West Pierce Fire & Rescue and the Clover Park School District.
