

### **Additional Outreach**

Following our last meeting City Staff also reached out to the Lakewood Historical Society and Clover Park School District in alignment with our existing work plan. Staff requested meetings with both organizations and invited them to come to a future LHAB meeting to discuss future partnership opportunities including:

#### ***Lakewood Historical Society***

Contact- online website, President Ms. Sue Potter

Partnership opportunities:

- Pop up Museum
- Historic Markers
- Designation
- Future Membership

#### ***Clover Park School District***

Contact- Leanna Albrecht, Director for Marketing and Community Relations & Grant Twyman,  
Director for Equity and Community Engagement

Partnership opportunities:

- Lakewood History into curriculum

**TO:** Landmarks and Heritage Advisory Board  
**FROM:** Courtney Brunell, Planning Manager  
**DATE:** April 28, 2022  
**SUBJECT:** Lakewood Touring Map

---

**Background:**

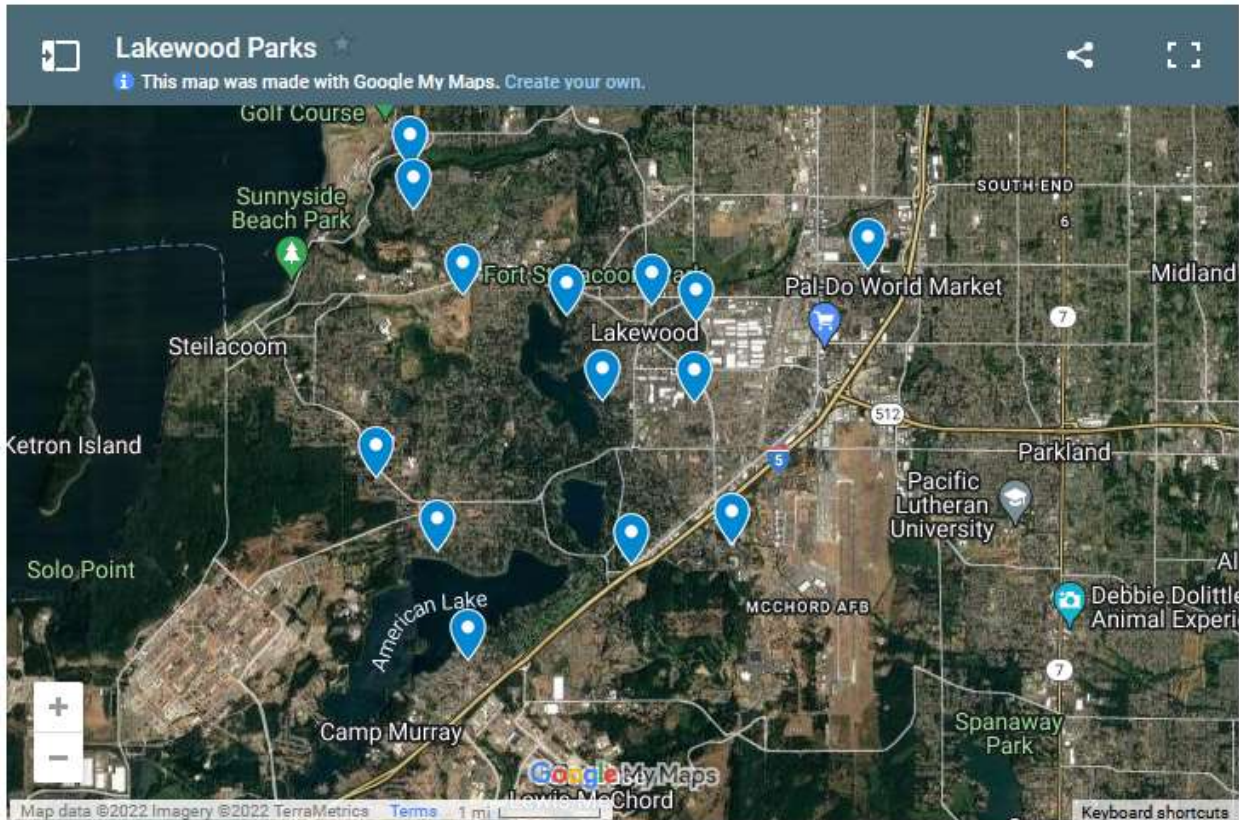

The City currently publishes a driving tour map for different residents and Clover Park School District. The map has not been comprehensively updated since 2015.

During the March 24<sup>th</sup> Landmarks and Heritage Advisory Board meeting the board requested that the map be amended to include significant parks in the City.

As a follow up, below is a list of parks and their general locations. An interactive map can be located here: <https://cityoflakewood.us/parks-and-recreation/#PARKS>

**Parks:**

1. Active Park
2. American Lake Park
3. Blueberry Park
4. Chambers Creek Trail
5. Edgewater Park
6. Fort Steilacoom Park
7. Harry Todd Park
8. Kiwanis Park
9. Oakbrook Park
10. Ponders Park
11. Primly Park
12. Seeley Lake Park
13. Springbrook Park
14. Wards Lake Park
15. Washington Park

During the February 22, 2022 joint Parks and Rec Advisory Board and Landmarks and Heritage Advisory Board Meeting the additional change was recommended:

1. Update the timeline to include additional Nisqually Tribe historic events
2. Add language focused on Nisqually cultural heritage

On March 14, 2022 the City of Lakewood and Nisqually Tribe held a partnership charrette to discuss a variety of upcoming projects at City Parks. During the meeting, staff introduced the touring map to request their involvement. They have provided the City with a contact and are interested in updating the timeline and providing a brief narrative to include as part of the map update.

During the March 24, 2022 Landmarks and Heritage Advisory Board meeting the board voted to move forward with Hiring Jolie Winsett Creative to complete the map update. The board also requested that the map scale be amended in order to show more of the City including the Chambers Creek Trail & Woodbrook/Tillicum area.

**Update:**

The City has been in contact with Jolie Winsett Creative to discuss next steps. Ms. Winsett requested all map amendments be provided to her no later than June 15, 2022 to ensure she has adequate time to complete the artwork by August, 2022.

Ms. Winsett is also able to change the map scale to show a larger portion of the City including the Chambers Creek area & Woodbrook/ Tillicum.

The City has reached out to Cynthia Iyall the Tribal Administrator for the Nisqually Indian Tribe to request a meeting and invite them to a future Landmarks and Heritage Advisory Board meeting to discuss other opportunities to partner.

**Next Steps:**

1. Continue discussions with Nisqually Tribe. At this point, this does not have a definitive timeline. Staff will provide an update at each Landmarks and Heritage Advisory Board meeting.
2. Once completed, bring suggested edits to the board for review and approval.
3. Staff will forward all approved changes onto the graphic designer and receive a proof for final LHAB approval.
4. Once approved, the map will be updated and re-printed for future distribution.
