

## Adopt-A-Street Safety Plan

### Safety Information for Adopt-A-Street Volunteers

Tasks	Controls
<b>Preparation/Training</b>	Team Leader prepares each clean up Team prior to starting. Watch safety video before first pick up. Review Pre-Activity Safety Plan with team.
<b>Parking</b>	Park in areas off the roadside where it is safe to exit and enter clean up area.
<b>Appropriate Clothing</b>	Wearing reflective <b>safety vests IS REQUIRED</b> . Safety hats, gloves, long pants, long sleeved shirts, thick soled boots or shoes, and sunscreen are recommended (Weather dependent).
<b>Picking Up Litter</b>	Face on-coming traffic when possible. Be aware of loose gravel, drop-offs, tripping hazards, uneven ground and other obstructions. Take measures to prevent and avoid possible slips, trips or falls. Work in pairs. Work on one side of the road at a time.
<b>Power or Heavy Equipment</b>	Volunteers are not allowed to operate any power or heavy equipment.
<b>Be Safe, Use Caution</b>	Don't use iPod or headsets that interfere with hearing. Don't engage in horseplay. Cross the roadway only at a designated cross walk. Don't compact trash bags, injury may result from sharp or broken objects. Don't pick up syringes or hypodermic needles; don't pick up exceptionally heavy objects, dead animals, or anything that could be toxic or hazardous. Know where the nearest medical facility is located.
<b>Required Training</b>	<ol style="list-style-type: none"> <li>1) Safety Video (once a year)</li> <li>2) Safety Plan (each pick up day)</li> </ol>
