### **Lakewood Touring Map**

During the June 6, 2022 City Council Meeting, Councilmember Mike Brandstetter expressed concern that some of the City's significant parks were not included in the potential list of highlighted parks. Parks are not required to be included on the touring map and the board has had several conversations discussing whether or not to incorporate the parks. Councilmember Brandstetter's concern was that Wards Lake and Springbrook Park were not included on the featured list. The City has planned substantial investments for both of these parks. To revisit the discussion, below is the map and explanation from the April LHAB meeting:

#### **Background:**

The City currently publishes a driving tour map for different residents and Clover Park School District. The map has not been comprehensively updated since 2015.

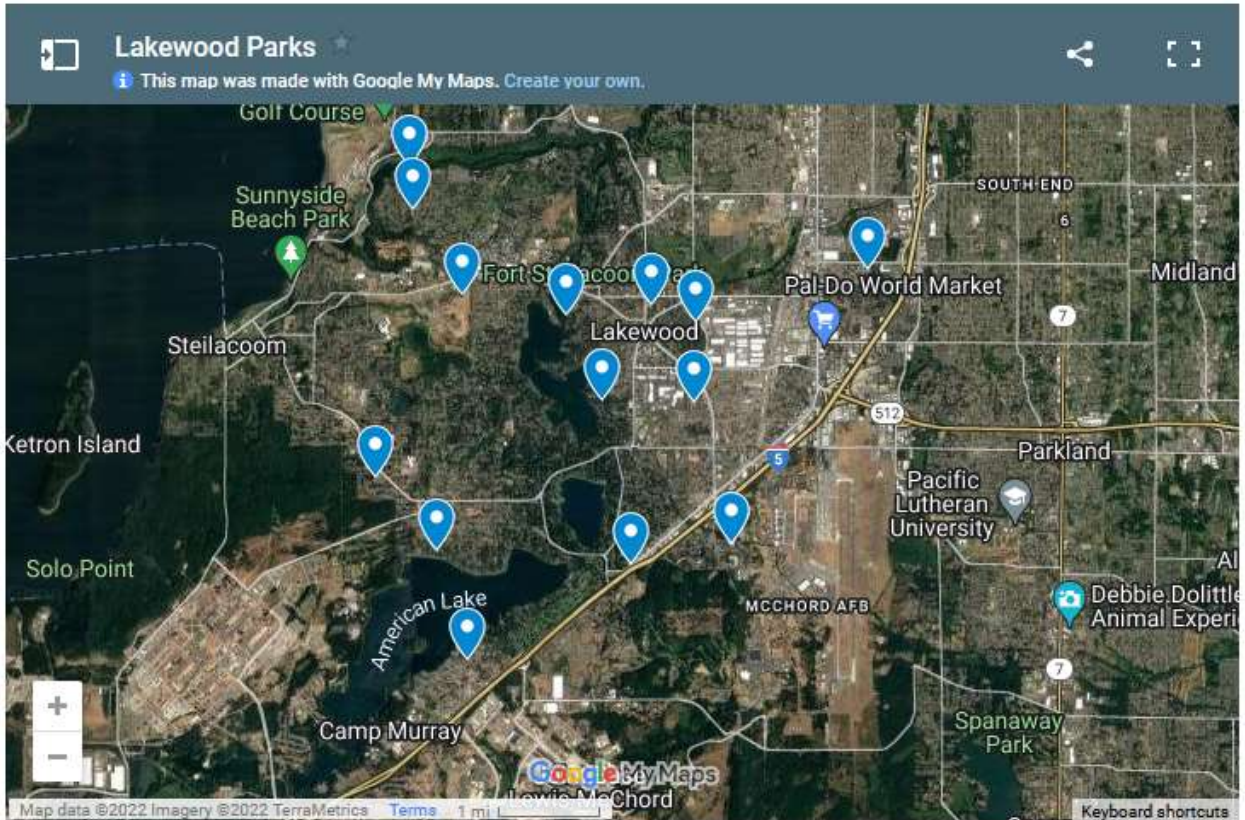

During the March 24<sup>th</sup> Landmarks and Heritage Advisory Board meeting the board requested that the map be amended to include significant parks in the City.

As a follow up, below is a list of parks and their general locations. An interactive map can be located here: <https://cityoflakewood.us/parks-and-recreation/#PARKS>

#### **Parks:**

1. Active Park
2. American Lake Park
3. Blueberry Park
4. Chambers Creek Trail
5. Edgewater Park

6. Fort Steilacoom Park
7. Harry Todd Park
8. Kiwanis Park
9. Oakbrook Park
10. Ponders Park
11. Primly Park
12. Seeley Lake Park
13. Springbrook Park
14. Wards Lake Park
15. Washington Park

During the February 22, 2022 joint Parks and Rec Advisory Board and Landmarks and Heritage Advisory Board Meeting the additional change was recommended:

1. Update the timeline to include additional Nisqually Tribe historic events
2. Add language focused on Nisqually cultural heritage

On March 14, 2022 the City of Lakewood and Nisqually Tribe held a partnership charrette to discuss a variety of upcoming projects at City Parks. During the meeting, staff introduced the touring map to request their involvement. They have provided the City with a contact and are interested in updating the timeline and providing a brief narrative to include as part of the map update.

During the March 24, 2022 Landmarks and Heritage Advisory Board meeting the board voted to move forward with Hiring Jolie Winsett Creative to complete the map update.

The board also requested that the map scale be amended in order to show more of the City including the Chambers Creek Trail & Woodbrook/Tillicum area.

**April 28, 2022 meeting:**

During the board meeting on April 28, 2022 the board stated they'd like to continue to consider the following parks be mentioned or shaded on the touring map: American Lake Park, Chambers Creek Trail, Fort Steilacoom Park, and Harry Todd Park.
