FREE Family Fun SummerFEST LIVE Entertainment

Parking/Shuttles
SATURDAY, JULY 15
11 AM – 10 PM FORT STEILACOOM PARK

Parking is always free at SummerFEST.

We anticipate large crowds again this year. To help reduce congestion and limit time waiting in line to park, people are encouraged to carpool and visit throughout the day.

Less busy times include: 11 a.m., 3 p.m. and after 6 p.m.

Accessing the Park

Drivers can access the park from the main entrance off 87th Avenue SW, or from one of the many temporary entrances that will be open off Elwood Drive SW. To reduce backups onto Steilacoom Drive, visitors should use other roads to access the park. This includes Hipkins, North Way, Elwood, Nixon, Lenox/Dalton, Haviland and 93rd.

Parking

Off-site parking is available at Pierce College in Lot D. Shuttles will run roughly every 20 minutes to and from the lot and drop people off at Steilacoom Boulevard to walk down Angle Lane into the park.

Handicap parking is available in the paved lot directly next to the playground at Fort Steilacoom Park. Access the lot by entering through one of the entrances and follow the road to the playground. Please have your placard displayed as you enter the park.

When you're ready to leave, exit using Angle Lane. At the end of the event, all entrances will transition to exits to help move traffic out of the park.

Visitors are reminded to please drive respectfully and slowly through the residential neighborhoods that border the park.
