

## City of Lakewood McGavick Conference Center - City Day Use Policy

**Purpose:** In an agreement effective January 31, 2007 the City of Lakewood provided \$2,037,000 in lodging taxes to construct Clover Park Technical College's McGavick Conference Center (MCC). Applicants interested in hosting an event that is not already booked should first coordinate directly with the MCC to secure a date and services specific to their event.

**Booking Priorities:** The approval or denial of the application will be based on the following booking priorities:

- 1. First Priority:** City-coordinated events. The City will reserve five (5) dates.
- 2. Second Priority:** Community Partners. Non-Profit organizations who partner with the City of Lakewood to provide services to the community.
- 3. Third Priority:** Single-day conferences, auctions, trade shows, or similar events. These events are coordinated by non-profit organizations located in Lakewood.
- 4. Fourth Priority:** Single-day conferences, auctions, trade shows or similar events. These events are coordinated by non-profit organizations outside of Lakewood, though in Pierce County.
- 5. Fifth Priority:** Single-day conferences, auctions, trade shows or similar events coordinated by individuals or organizations outside of Lakewood and Pierce County.

**Applicant Notified:** Applicants will be notified as to the approval or denial of the application in the month of December of each year. For those applications that are approved by the City, confirmation letters will be sent to the McGavick Conference Center (MCC) and applicant.

**Fee Schedule:** A \$1,500 special event fee will be charged to those whose application is approved. No refunds will be issued unless an event is cancelled by the City, in which case a full refund will be issued. Payment of the special event fee is due at time of approval.
