The City of Lakewood is bringing pedestrian safety improvements to Steilacoom Boulevard between Weller Road and 87th Avenue. Construction begins soon. Improvements include curb/gutter, sidewalks, stormwater, asphalt paving, replacement of four traffic signals and adding streetlights.

We appreciate your patience as crews begin preparations. The contractor is committed to completing the work as quickly as possible.

Lane Closures Begin Late January 2025.

For more information and updates follow the City of Lakewood on social media (search for @LakewoodWA on Facebook) or visit the city's website: **CityOfLakewood.us/capital-projects**. Scroll to "Active Projects" and click "Steilacoom Boulevard".
