INTERAGENCY AGREEMENT

BETWEEN THE

Washington Traffic Safety Commission

AND

Lakewood Police Department

2025-Sub-grants-5652-Lakewood Police Department DUI OT Patrols

THIS AGREEMENT is made and entered into by and between the Washington Traffic Safety Commission, hereinafter referred to as "WTSC," and Lakewood Police Department, hereinafter referred to as "SUB-RECIPIENT."

NOW THEREFORE, in consideration of the authority provided to WTSC in RCW 43.59 and RCW 39.34, terms, conditions, covenants, and performance contained herein, or attached and incorporated and made a part hereof, the parties mutually agree as follows:

1. PURPOSE OF THE AGREEMENT:

The purpose of this Agreement is to provide funding, provided by the United States Department of Transportation (USDOT) National Highway Traffic Safety Administration (NHTSA) and allowed under the Assistance Listing #20.608, for traffic safety grant project 2025-Sub-grants-5652-Lakewood Police Department DUI OT Patrols.

2. PERIOD OF PERFORMANCE

The period of performance of this Agreement shall commence upon the date of execution by both parties or June 01, 2025, whichever is later, and remain in effect until September 30, 2025, unless terminated sooner, as provided herein.

3. STATEMENT OF WORK

The SUB-RECIPIENT shall carry out the provisions of the traffic safety project described here as the Statement of Work (SOW). If the SUB-RECIPIENT is unable to fulfill the SOW in any manner on this project, the SUB-RECIPIENT must contact the WTSC program manager immediately and discuss a potential amendment. All Federal and State regulations will apply.

3.1 SCOPE OF WORK

3.1.1 Problem ID and/or Opportunity

Washington State is grappling with a severe impaired driving crisis. In 2023, traffic fatalities surged to 810 deaths, the highest number since 1990. Impairment remains a leading factor in these tragedies, contributing to 50% of all roadway fatalities. The rise of poly-drug impairment is especially concerning, with 172 fatal crashes involving drivers under the influence of multiple substances—accounting for 44% of all impaired driving deaths.

Cannabis use remains a significant factor in impaired driving, with delta-9 THC-positive drivers consistently accounting for about 10% of all fatal crashes since 2018. In 2020, the number of THC-positive drivers increased by 22%, and this trend persisted through 2023.

Motorcyclists are disproportionately involved in fatal crashes where alcohol impairment is a factor, even when BAC levels are below 0.08. Despite making up just 3% of registered vehicles, they accounted for 20% of impairment-related fatalities. Overall, the state has experienced a staggering 20.2% increase in traffic fatalities from 2021 to 2023, marking the fastest five-year rise in recorded history since 2019.

Despite this growing crisis, DUI arrests in Washington state declined by 19% from 2019 to 2023, exposing a widening gap between enforcement and the increasing threat of impaired drivers on Washington's roads.

Washington State has the lowest officer-per-capita rate in the nation, with just 1.12 officers per 1,000 residents, making proactive DUI enforcement increasingly difficult. The data highlights key risk factors:

- Drivers aged 21-40 account for more than half of all impaired driving fatalities.
- Male drivers make up 80% of impaired fatalities.
- Speeding is a major contributor—42% of impaired fatal crashes involve excessive speed, compared to 23% of non-impaired fatal crashes.
- 80% of unrestrained fatally injured drivers were impaired, underscoring the deadly combination of high-risk behaviors.
- 61% of alcohol-impaired drivers in fatal crashes had a BAC of 0.12 or greater.
- Nearly 80% of THC-positive drivers also tested positive for alcohol or other drugs.

Public concern about impaired driving is increasing, yet confidence in enforcement and accountability remains low. The Washington Statewide Survey on Traffic Safety Beliefs and Behaviors conducted in 2023 and 2024 revealed troubling perceptions:

Likelihood of apprehension:

- Only 51% of respondents believe an alcohol-impaired driver is at least moderately likely to be caught.
- Only 38% believe the same for cannabis-impaired drivers.

Likelihood of prosecution:

- Only 32% believe an impaired driver arrested by law enforcement is at least moderately likely to be prosecuted—a significant drop from 44% the previous year.

These findings highlight a growing gap between public concern and trust in the effectiveness of impaired driving enforcement and accountability.

Lakewood, Washington: A Regional Perspective

Lakewood sits at the crossroads of major regional transportation routes, including Interstate 5 and State Route 512. These high-traffic corridors connect commuters, commercial freight, and military personnel between Tacoma, Joint Base Lewis-McChord (JBLM), Olympia, and beyond. As a result, Lakewood serves as a critical node in the South Sound's transportation network—but this also increases its exposure to high-risk driving behaviors, including impaired and distracted driving.

While traffic fatalities in Lakewood remained relatively stable from 2019 to 2022, the city experienced a dramatic spike in 2023, with fatalities more than doubling from previous years. From 2019 through 2023, Lakewood recorded a total of 23 traffic fatalities, with annual counts as follows: 3 in 2019, 4 in 2020, 3 in 2021, 4 in 2022, and 9 in 2023.

Impaired driving has consistently played a role in these fatalities. Over the five-year period, 12 fatalities involved an impaired driver, with the number rising from just one annually in 2019 and 2020 to five in 2023. Alarming, 50% of those killed in impairment-related crashes were unrestrained, highlighting the dangerous overlap between impaired driving and seat belt non-use.

A closer look at impairment-related fatalities reveals the broad impact across different road users:

- 42% (5) were drivers of motor vehicles,
- 42% (5) were passengers,
- 8% (1) were motorcyclists, and
- 8% (1) were pedestrians.

This distribution emphasizes the far-reaching consequences of impaired driving, affecting not only drivers but also vulnerable road users.

Enforcement data provides further context. DUI arrests in Lakewood rose steadily from 61 in 2020 to 86

in 2023, signaling both an ongoing problem and a renewed enforcement effort. For comparison, DUI arrests were significantly higher in 2019, with 131 arrests, before dropping during the early pandemic period. Lakewood has observed a steady increase in the number of drug impaired driving arrests compared to alcohol. This number is incorporated into the overall, however the ratio has increased towards drug impairment.

Together, these trends point to a growing need for targeted DUI prevention, community education, and coordinated enforcement strategies to address the city's evolving traffic safety challenges.

3.1.2 Project Purpose and Strategies

The purpose of this project is to address an increase in serious injury and fatal collisions related to alcohol and drug impairment in the City of Lakewood. This project will accomplish this by providing funding to the Lakewood Police Department to support overtime pay for DUI enforcement patrols and impaired driving education to the community.

3.2 PROJECT GOALS

- 1) Conduct dedicated DUI patrols specifically targeting impaired driving by completing a minimum of twelve 8-hour shifts each month (three per week) by September 30, 2025.
- 2) Conduct at least 1 community education and outreach activity each month, including the use of social media, by September 30, 2025.

3.2.1 The objectives, measures and timelines listed in Appendix A will be reviewed at least annually by the designated contacts of the SUB-RECIPIENT and WTSC, and may be updated pursuant to clause 6 of this AGREEMENT. For the purposes of this section only, the parties' DESIGNATED CONTACTS, as listed in clause 42, are authorized to execute these amendments to Appendix A.

3.3. COMPENSATION

3.3.1 The cost of accomplishing the work described in the SOW will not exceed \$50,000.00, for the entire period of performance, as allocated to each year of this agreement in Section 3.4 PROJECT COSTS. Unspent contract funds from each year do NOT carry over into subsequent years and each year's budget is independent of the others.

3.3.2 Payment for satisfactory performance of the work shall not exceed this amount unless the parties mutually agree to a higher amount in a written Amendment to this Agreement executed by both parties.

3.3.3 After the first year, continuation is subject to funding availability, agreement on future objectives and measures, and satisfactory progress toward completion of agreed upon goals (as determined by WTSC),

as set forth in the SOW.

3.3.4 If the SUB-RECIPIENT intends to charge indirect costs, an Indirect Cost Rate must be established in accordance with WTSC policies, and an approved cost allocation plan may be required to be submitted to the WTSC before any performance is conducted under this Agreement. Indirect cost rates are subject to change based on updated Indirect Rate Letters from a cognizant federal agency or approved cost allocation plans. If the indirect rate increases, the budget will be modified by deducting the amount of the indirect rate increase from other budget categories so that the total budget does not increase. The total budget may not increase without an amendment to this agreement executed by both parties.

3.3.5 WTSC will only reimburse the SUB-RECIPIENT for travel related expenses for travel defined in the scope of work and budget or for which approval was expressly granted. The SUB-RECIPIENT must submit a travel authorization form (A-40) to request approval for any travel not defined in the SOW and for all travel outside of the continental United States.

3.3.6 WTSC will reimburse travel related expenses consistent with the written travel policies of the SUB-RECIPIENT. If no written policy exists, state travel rates and policies (SAAM Chapter 10) apply. If WTSC makes travel arrangements on behalf of the SUB-RECIPIENT, state travel policies must also be followed. Washington State Administrative & Accounting Manual (SAAM) Chapter 10 can be obtained at this website: <https://www.ofm.wa.gov/sites/default/files/public/legacy/policy/10.htm>. If for any reason, this information is not available at this website, contact the WTSC office at 360-725-9860 to obtain a copy. If following state travel policies, the SUB-RECIPIENT must provide appropriate documentation (receipts) to support reimbursement requests, including the A-40 Travel Authorization form if required.

3.3.7. Any equipment that will be purchased under this agreement with a purchase price over \$10,000 must be pre-approved by NHTSA prior to purchase. Pre-approval must also be gained if funding from this agreement is used to purchase a portion of an item with a purchase price of \$10,000 or higher. Approval for these purchases will be facilitated by WTSC. WTSC will notify the SUB-RECIPIENT when approval has been gained or denied. Failure to receive pre-approval will preclude reimbursement. Any equipment purchased with NHTSA funds must be used exclusively for traffic safety purposes or the cost must be pro-rated. If required under the Buy America Act, SUB-RECIPIENT will provide WTSC with purchase price, quote, manufacturer, description of its use in the project, and documentation showing that it is made in America.

3.3.8. All equipment must be inventoried by the SUB-RECIPIENT. The SUB-RECIPIENT agrees to maintain the equipment, continue to use it for project purposes, and report on its status to WTSC each year when requested.

3.3.9. Equipment is defined as any asset with a useful life greater than one year AND a unit cost of

\$10,000 or greater, and small and attractive assets. Small and attractive assets are the following if they a unit cost of \$300 or more:

- Laptops and Notebook Computers
- Tablets and Smart phones

Small and attractive assets also include the following if they have a unit cost of \$1000 or more:

- Optical Devices, Binoculars, Telescopes, Infrared Viewers, and Rangefinders
- Cameras and Photographic Projection Equipment
- Desktop Computers (PCs)
- Television Sets, DVD Players, Blu-ray Players and Video Cameras (home type)

The SUB-RECIPIENT shall provide the WTSC a copy of all third-party contracts and agreements entered into for purposes of fulfilling the SOW. Such third-party contracts and agreements must follow applicable federal, state, and local law, including but not limited to procurement law, rules, and procedures. Upon expiration of the Agreement, any claim for payment not already made shall be submitted within 45 days after the expiration date of this Agreement. All invoices for goods received or services performed on or prior to June 30, must be received by WTSC no later than August 10 of the same calendar year. All invoices for goods received or services performed between July 1 and September 30, must be received by WTSC no later than November 15 of the same calendar year. WTSC reserves the right to delay the processing of invoices until activity reports required by Section 4 of this agreement, are received and approved.

11. CONFIDENTIALITY / SAFEGUARDING OF INFORMATION

The WTSC shall have the right, in the event of breach of this section by the SUB-RECIPIENT, to annul this Agreement without liability.

14. DISPUTES

14.1. Disputes arising in the performance of this Agreement, which are not resolved by agreement of the parties, shall be decided in writing by the WTSC Deputy Director or designee. This decision shall be final and conclusive, unless within 10 days from the date of the SUB-RECIPIENT's receipt of WTSC's written decision, the SUB-RECIPIENT furnishes a written appeal to the WTSC Director. The SUB-RECIPIENT's appeal shall be decided in writing by the Director or designee within 30 days of receipt of the appeal by the Director. The decision shall be binding upon the SUB-RECIPIENT and the SUB-RECIPIENT shall abide by the decision.

14.2. Performance During Dispute. Unless otherwise directed by WTSC, the SUB-RECIPIENT shall continue performance under this Agreement while matters in dispute are being resolved.

14.3 In the event that either Party deems it necessary to institute legal action or proceedings to enforce any right or obligation under this Agreement, the Parties hereto agree that any such action or proceedings shall be brought in the superior court situated in Thurston County, Washington.

15. GOVERNANCE

15.1. This Agreement is entered into pursuant to and under the authority granted by the laws of the state of Washington and any applicable federal laws. The provisions of this Agreement shall be construed to conform to those laws.

17. INDEMNIFICATION

17.1. To the fullest extent permitted by law, the SUB-RECIPIENT shall indemnify and hold harmless the WTSC, its officers, employees, and agents, and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs of whatsoever kind ("claims") brought against WTSC arising out of or in connection with this Agreement and/or the SUB-RECIPIENT's performance or failure to perform any aspect of the Agreement. This indemnity provision applies to all claims against WTSC, its officers, employees, and agents arising out of, in connection with, or incident to the acts or omissions of the SUB-RECIPIENT, its officers, employees, agents, contractors, and subcontractors. Provided, however, that nothing herein shall require the SUB-RECIPIENT to indemnify and hold harmless or defend the WTSC, its agents, employees, or officers to the extent that claims are caused by the negligent acts or omissions of the WTSC, its officers, employees or agents; and provided further that if such claims result from the concurrent negligence of (a) the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors, and (b) the WTSC, its officers, employees, or agents, or involves those actions covered by RCW 4.24.115, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the negligence of the SUB-RECIPIENT, its officers, employees, agents, contractors, or subcontractors.

17.2. The SUB-RECIPIENT agrees that its obligations under this Section extend to any claim, demand and/or cause of action brought by, or on behalf of, any of its employees or agents in the performance of this agreement. For this purpose, the SUB-RECIPIENT, **by mutual negotiation**, hereby waives with respect to WTSC only, any immunity that would otherwise be available to it against such claims under the Industrial Insurance provisions chapter 51.12 RCW.

17.3. The indemnification and hold harmless provision shall survive termination of this Agreement.

19.2. If the SUB-RECIPIENT is not required to maintain insurance in accordance with Title 51 RCW, prior to the start of any performance of work under this Agreement, the SUB-RECIPIENT shall provide WTSC with proof of insurance coverage (e.g., vehicle liability insurance, private property liability insurance, or commercial property liability insurance), as determined appropriate by WTSC, which protects the SUB-RECIPIENT and WTSC from risks associated with executing the SOW associated with this Agreement.

20. LICENSING, ACCREDITATION, AND REGISTRATION

The SUB-RECIPIENT shall comply with all applicable local, state, and federal licensing, accreditation, and registration requirements and standards necessary for the performance of this Agreement. The SUB-RECIPIENT shall complete registration with the Washington State Department of Revenue, if required, and be responsible for payment of all taxes due on payments made under this Agreement.

21. RECORDS MAINTENANCE

21.1. During the term of this Agreement and for six years thereafter, the SUB-RECIPIENT shall maintain books, records, documents, and other evidence that sufficiently and properly reflect all direct and indirect costs expended in the performance of the services described herein. These records shall be subject to inspection, review, or audit by authorized personnel of the WTSC, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration. The Office of the State Auditor, federal auditors, the WTSC, and any duly authorized representatives shall have full access and the right to examine any of these materials during this period.

21.2. Records and other documents, in any medium, furnished by one party to this Agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving them a reasonable opportunity to respond. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

22. RIGHT OF INSPECTION

The SUB-RECIPIENT shall provide right of access to its facilities to the WTSC or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Agreement. The SUB-RECIPIENT shall make available information necessary for WTSC to comply with the right to access, amend, and receive an accounting of disclosures of their Personal Information according to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) or any regulations enacted or revised pursuant to the HIPAA provisions and applicable provisions of Washington State law. The SUB-RECIPIENT shall upon request make available to the WTSC and the United States

Secretary of the Department of Health and Human Services all internal policies and procedures, books, and records relating to the safeguarding, use, and disclosure of Personal Information obtained or used as a result of this Agreement.

23. RIGHTS IN DATA

23.1. WTSC and SUB-RECIPIENT agree that all data and work products (collectively called "Work Product") pursuant to this Agreement shall be considered works made for hire under the U.S. Copyright Act, 17 USC §101 et seq., and shall be owned by the state of Washington. Work Product includes, but is not limited to, reports, documents, pamphlets, advertisement, books, magazines, surveys, studies, computer programs, films, tapes, sound reproductions, designs, plans, diagrams, drawings, software, and/or databases to the extent provided by law. Ownership includes the right to copyright, register the copyright, distribute, prepare derivative works, publicly perform, publicly display, and the ability to otherwise use and transfer these rights.

23.2. If for any reason the Work Product would not be considered a work made for hire under applicable law, the SUB-RECIPIENT assigns and transfers to WTSC the entire right, title, and interest in and to all rights in the Work Product and any registrations and copyright applications relating thereto and any renewals and extensions thereof.

23.3. The SUB-RECIPIENT may publish, at its own expense, the results of project activities without prior review by the WTSC, provided that any publications (written, visual, or sound) contain acknowledgment of the support provided by NHTSA and the WTSC. Any discovery or invention derived from work performed under this project shall be referred to the WTSC, who will determine through NHTSA whether patent protections will be sought, how any rights will be administered, and other actions required to protect the public interest.

24. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to completion of the SOW under this Agreement, the WTSC may terminate the Agreement under the "TERMINATION FOR CONVENIENCE" clause, without the 30 day notice requirement. The Agreement is subject to renegotiation at the WTSC's discretion under any new funding limitations or conditions.

25. SEVERABILITY

If any provision of this Agreement or any provision of any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Agreement, and to this end the provisions of this Agreement are declared to be severable.

26. SITE SECURITY

While on WTSC premises, or while interacting with WTSC's personnel, the SUB-RECIPIENT, its agents, employees, or sub-contractors shall conform in all respects with all WTSC physical, fire, or other security policies and applicable regulations and not interfere with WTSC's operations.

27. TAXES

All payments of payroll taxes, unemployment contributions, any other taxes, insurance, or other such expenses for the SUB-RECIPIENT or its staff shall be the sole responsibility of the SUB-RECIPIENT.

28. TERMINATION FOR CAUSE

If the SUB-RECIPIENT does not fulfill in a timely and proper manner its obligations under this Agreement or violates any of these terms and conditions, the WTSC will give the SUB-RECIPIENT written notice of such failure or violation, and may terminate this Agreement immediately. At the WTSC's discretion, the SUB-RECIPIENT may be given 15 days to correct the violation or failure. In the event that the SUB-RECIPIENT is given the opportunity to correct the violation and the violation is not corrected within the 15-day period, this Agreement may be terminated at the end of that period by written notice of the WTSC.

29. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Agreement, either party may terminate this Agreement, without cause or reason, with 30 days written notice to the other party. If this Agreement is so terminated, the WTSC shall be liable only for payment required under the terms of this Agreement for services rendered or goods delivered prior to the effective date of termination.

30. TREATMENT OF ASSETS

30.1. Title to all property furnished by the WTSC shall remain property of the WTSC. Title to all property furnished by the SUB-RECIPIENT for the cost of which the SUB-RECIPIENT is entitled to be reimbursed as a direct item of cost under this Agreement shall pass to and vest in the WTSC upon delivery of such property by the SUB-RECIPIENT. Title to other property, the cost of which is reimbursable to the SUB-RECIPIENT under this Agreement, shall pass to and vest in the WTSC upon (i) issuance for use of such property in the performance of this Agreement, or (ii) commencement of use of such property in the performance of this Agreement, or (iii) reimbursement of the cost thereof by the WTSC in whole or in part, whichever first occurs.

30.2. Any property of the WTSC furnished to the SUB-RECIPIENT shall, unless otherwise provided herein or approved by the WTSC, be used only for the performance of this Agreement.

30.3. The SUB-RECIPIENT shall be responsible for any loss or damage to property of the WTSC which results from the negligence of the SUB-RECIPIENT or which results from the failure on the part of the

SUB-RECIPIENT to maintain and administer that property in accordance with sound management practices.

30.4. If any WTSC property is lost, destroyed, or damaged, the SUB-RECIPIENT shall immediately notify the WTSC and shall take all reasonable steps to protect the property from further damage.

30.5. The SUB-RECIPIENT shall surrender to the WTSC all property of the WTSC prior to settlement, upon completion, termination, or cancellation of this Agreement.

30.6. All reference to the SUB-RECIPIENT under this clause shall also include SUB-RECIPIENT's employees, agents, or sub-contractors.

31. STATE NONDISCRIMINATION

31.1 Nondiscrimination Requirement. During the term of this Agreement, SUB-RECIPIENT, including any subcontractors, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, SUB-RECIPIENT, including any subcontractors, shall give written notice of this nondiscrimination requirement to any labor organizations with which SUB-RECIPIENT, or subcontractor, has a collective bargaining or other agreement.

31.2 Obligation to Cooperate. SUB-RECIPIENT, including any subcontractors, shall cooperate and comply with any Washington state agency investigation regarding any allegation that SUB-RECIPIENT, including any subcontractor, has engaged in discrimination prohibited by this Agreement pursuant to RCW 49.60.530(3).

31.3 Default. Notwithstanding any provision to the contrary, WTSC may suspend SUB-RECIPIENT, including any subcontractors, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Agreement, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until WTSC receives notification that SUB-RECIPIENT, including any subcontractors, is cooperating with the investigating state agency. In the event SUB-RECIPIENT, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), WTSC may terminate this Agreement in whole or in part, and SUB-RECIPIENT, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. The SUB-RECIPIENT, or subcontractor, may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

31.4 Remedies for Breach. Notwithstanding any provision to the contrary, in the event of Agreement termination or suspension for engaging in discrimination, SUB-RECIPIENT, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference

between the original Agreement and the replacement or cover Agreement and all administrative costs directly related to the replacement Agreement, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. WTSC shall have the right to deduct from any monies due to SUB-RECIPIENT or subcontractors, or that thereafter become due, an amount for damages SUB-RECIPIENT or subcontractor will owe WTSC for default under this provision.

32. WAIVER

A failure by either party to exercise its rights under this Agreement shall not preclude that party from subsequent exercise of such rights and shall not constitute a waiver of any other rights under this Agreement.

APPLICABLE CERTIFICATIONS AND ASSURANCES FOR HIGHWAY SAFETY GRANTS (23 CFR PART 1300 APPENDIX A):

33. BUY AMERICA ACT

The SUB-RECIPIENT will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using federal funds. Buy America requires the SUB-RECIPIENT to purchase only steel, iron, and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use federal funds to purchase foreign produced items, the WTSC must submit a waiver request that provides an adequate basis and justification, and which is approved by the Secretary of Transportation.

34. DEBARMENT AND SUSPENSION

Instructions for Lower Tier Certification

34.1. By signing this Agreement, the SUB-RECIPIENT (hereinafter in this section referred to as the "lower tier participant") is providing the certification set out below and agrees to comply with the requirements of 2 CFR part 180 and 23 CFR part 1200.

34.2. The certification in this section is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

34.3. The lower tier participant shall provide immediate written notice to the WTSC if at any time the lower tier participant learns that its certification was erroneous when submitted or has become erroneous by

reason of changed circumstances.

34.4. The terms covered transaction, civil judgement, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded, as used in this clause, are defined in 2 CFR parts 180 and 1200.

34.5. The lower tier participant agrees by signing this Agreement that it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by WTSC.

34.6. The lower tier participant further agrees by signing this Agreement that it will include the clause titled "Instructions for Lower Tier Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions, and will require lower tier participants to comply with 2 CFR part 180 and 23 CFR part 1200.

34.7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).

34.8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

34.9. Except for transactions authorized under paragraph 34.5. of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

33.11. Where the lower tier participant is unable to certify to any of the statements in this certification, such participant shall attach an explanation to this Agreement.

Such activities include both direct and indirect (e.g., “grassroots”) lobbying activities, with one exception. This does not preclude a state official whose salary is supported with NHTSA funds from engaging in direct communications with state or local legislative officials, in accordance with customary state practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

42. CERTIFICATION ON CONFLICT OF INTEREST

General Requirements

42.1. No employee, officer or agent of the SUB-RECIPIENT who is authorized in an official capacity to negotiate, make, accept or approve, or to take part in negotiating, making, accepting or approving any subaward, including contracts or subcontracts, in connection with this grant shall have, directly or indirectly, any financial or personal interest in any such subaward. Such a financial or personal interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or personal interest in or a tangible personal benefit from an entity considered for a subaward.

42.2. Based on this policy:
